Coupon Book

Please make sure you check out the reverse of each page to take full advantage of all the offers available.

1. The offers in this voucher book are only available to Costco members. If your membership has expired you can renew at any Costco warehouse or online at costco.co.uk.
2. The offers are valid for the period set out on the front of this booklet and the individual coupons. There is no need to cut out the coupons; you just need to bring this book to the checkout.
3. Please note that there are maximum purchase limits per member on all of the items in the booklet. Look out for the "Max purchase" or "Max deals" on the face of each coupon.
4. Our computer systems track the number of times offers have been used, and will charge you full price for any products over the offer maximum. Additional booklets do not increase the maximum for cardholders.
5. Coupons have no cash alternative value. While we have attempted to anticipate additional demand for products featured in these coupons, the offers are subject to availability of products in the warehouse. If we run out of stock we will do our best to honour the coupon at a later date or by providing a similar high quality product at the equivalent value.
6. HMRC "rounding" rules stipulate that the VAT (and therefore the overall price) payable on items bought as part of a multiple item purchase can be fractionally higher compared to the VAT on single items purchased separately as noted on price labels and coupons. For details please see our guide on "How we calculate VAT".
7. We take great care to try and make sure that the offers set out in this book are accurate. Despite our best efforts occasionally errors can still occur. Where they do, we will notify members in the warehouse.
8. Costco.co.uk online-only Hot Buy offers are limited to availability. While we have attempted to anticipate additional demand for products featured, the offers may sell out before booklet expiry.
